A Message from the President

I would like to offer a welcome to all skiers. The long range forecast is for a colder than usual winter ahead. What a wonderful way to take advantage of what hopefully will be a more “normal” winter. As usual there have been developments over the summer. Two key ones I would like to bring to your attention.

1. We are able to offer the **free use of ski equipment for young children aged 3 to 5 years old through support of COMMUNITIES RAISING CHILDREN - EVERY CHILD COUNTS IN NORTHUMBERLAND COUNTY.**

2. Our snowmobiles, used for grooming, have received complete engine overhauls thanks to the efforts of trails chairman Gilles Chiasson and Robert Breau.

We have adjusted our membership fees (generally in a downward direction). We are looking for ways however to cut costs, particularly with energy consumption! (See Above)

I would like to take the opportunity to remind members that the strength of the club is determined by their involvement. We have a hard working executive, but they need your continuing support.

For more information visit CCNB’s web site at www.xcski-nb.ca and ours at www.skimiramichi.com.

Looking forward to seeing you on the trails,
 Peter Gadd (622-1313) (gadd1313@nb.sympatico.ca)
