Our club president this year is Peter Gadd (622-1313) . As a semi-retired teacher Peter has a bit of free time that he is glad to use helping with the club. The executive this year combines years of club experience along with new people who are keen to provide help and leadership with our programs. The Miramichi Cross Country Ski Club is pleased to announce the return this year of our lodge keeper **Mr. Keith Dickson**. Keith's schedule is usually Wednesday to Sunday once the season is in full swing. Keith's job is to welcome visiting skiers, maintain the clubhouse and the grooming equipment, offer canteen services, keep the stove going, take in memberships and day pass fees and answer inquiries that may come his way. Keith has served the club for a number of years and the club executive is very pleased to be able to count on his services again this season.

The Miramichi Cross Country Ski Club is located behind the Byron Goodin Centre in Nelson Miramichi on Route 126. We have 25 kilometers of trails created and maintained just for cross country skiing. Our trails are of such variety that they offer good skiing for skiers of all ages and ability. Our trails are usually open each season for 100 or more days and they receive machine grooming regularly.

**The Miramichi Cross Country Ski Club** is once again included in the **CCNB Provincial Loppet** series and will host its Loppet (C) on **FEBRUARY 17, 2008**.
