NOW WITH 6 km OF SNOW SHOE TRAILS

The executive this year combines years of club experience along with new people who are keen to provide help and leadership with our programs. Please visit www.skimiramichi.com for more information.

The Miramichi Cross Country Ski Club is located in Nelson Miramichi on Route 126. We have 25 kilometers of trails created and maintained just for cross country skiing. Our trails are of such variety that they offer good skiing for skiers of all ages and ability. Our trails are usually open each season for 100 or more days and they receive machine grooming regularly. There is a four kilometer lighted trail open until 10:00 pm every evening.

The Miramichi Cross Country Ski Club is once again included in the **CCNB Provincial Loppet** series and will host its Loppet (C) on **FEBRUARY 21, 2010**. For additional information on the **2010 Miramichi Ray Thibodeau Loppet** contact Norm Brown, chairperson at 622-7661 or email him at brown@nbnet.nb.ca.

CCNB Ski Races at MCCSC – Saturday February 20th
