

Tuesday Ski/Snowshoe & Lunch Social

For the weekly Tuesday Ski/Snowshoe & Lunch Social please bring your own lunch (we have a fridge and microwave if you want something reheat something). Lunch will be around noon.

You can ski with a group or on your own before lunch, or go out snowshoeing. The group ski leaves the clubhouse at 11 am. If it works out better for you, eat lunch at noon and go out by yourself or with friends after the lunch.

The ski club will provide coffee, tea, water and cookies. We will accept small donations towards the grooming fund. Perhaps bringing your own reusable water bottle and thermos will save money and is environmentally friendly.

Non-members pay a \$10 trail fee for skiing or \$3 for snowshoeing. We will provide the equipment, skis, boots, poles or snowshoes, and basic instruction if needed. All are welcome.
